

NOTICE OF PROJECT PLAN PUBLIC HEARING

Forsyth Township will hold a public hearing on the proposed Water System Improvements project for the purpose of receiving comments from interested persons.

The hearing will be held at 6:30 p.m. on June 23rd at the following location: Gwinn Community Center, 165 N Maple St, Gwinn, MI 49841

The purpose of the proposed project is the removal and replacement of aged and failing water infrastructure located within Forsyth Township.

Project construction will involve the removal and replacement of aged and failing water infrastructure including lead/galvanized service line removal and replacement.

Impacts of the proposed project include the increased reliability of the water system.

The total proposed project cost is estimated at \$7 million.

The estimated cost to users for the proposed project will be around \$30 per month per user.

Copies of the plan detailing the proposed project are available for inspection at the following location(s):

Forsyth Township Town Hall located at 186 W Flint Street, Gwinn, MI 49841

UP engineers & Architects, Inc located at 424 S Pine Street, Ishpeming, MI 49849

Written comments received before the hearing record is closed on June 23, 2022 will receive responses in the final project plan. Written comments should be sent to:
