

**FORSYTH TOWNSHIP
PUBLIC NOTICE OF INTENT**

Forsyth Township intends to submit an application for federal financial assistance to the USDA Rural Development for funds to make improvements to the water distribution system.

The proposed project includes repairing and replacing water mains via removal and replacement methods, with the focus on infrastructure within the MDOT M35 ROW.

The water infrastructure project is estimated to cost \$900,000.

Forsyth Township will hold a public meeting at 6:30 pm on March 27, 2025, to discuss the project and answer any questions.

Steven Kevern, Township Supervisor

Forsyth Township is an equal opportunity provider and employer.
